

RECEP SEFA AKTAŞ

Camera Operator | AI Commercial Director | Video Producer
Istanbul, Türkiye | rsefaaktas@gmail.com | linkedin.com/in/rsefaaktas | Portfolio: rsefaaktas.com

PROFILE

Camera operator and AI commercial director with on-set experience on large-scale corporate documentaries for Koç Holding and IC Holding, and a self-run studio producing AI-generated commercials and product videos for brands. Combines real cinematography (camera, lighting, audio and data management) with generative AI video production, taking projects from concept and script to final edit and delivery, backed by a background in copywriting and scriptwriting.

PROFESSIONAL EXPERIENCE

İdealist Yapım (documentary production company) Feb 2025 – Present
2nd Camera Operator & Camera Assistant Istanbul, Türkiye

- Operate second camera on corporate documentaries, executive interviews and live events using Sony FX3, Canon C200 and Canon 5D Mark IV
- Key projects:** Koç Holding 100th Anniversary Documentary; IC Holding Documentary (Akkuyu Nuclear Power Plant shoots); Hüsnü Özyeğin 50th Anniversary Book Project interviews; 25th Vehbi Koç Awards; Koç Holding 2026 New Year's Event
- Completed a five-day industrial documentary shoot across Kocaeli and Bursa: three cities, four industrial facilities (including Tüpraş, Tofaş and Arçelik) and 18 interviews
- Set up camera, lighting and audio systems; prepare shoot plans and B-roll breakdowns; work closely with experienced cinematographers on lighting and framing
- Manage on-set data (offloading, backup and archiving) and prepare shoot reports, footage logs and interview transcriptions

Yapay Zeka Reklamlarım (independent AI video studio) Jun 2025 – Present
Founder & AI Commercial Director Istanbul, Türkiye (Remote)

- Direct end-to-end AI commercials, product videos and social media content: brief, concept, script, prompt design, AI generation, editing, colour grading and delivery
- Delivered projects for brands in food production, automotive, e-commerce, wall art, sportswear and construction (direct clients and Bionluk)
- Developed standardised production templates (scene-by-scene scripts, typography systems and product-accuracy prompts) that keep products, logos and on-screen text consistent across generations

MODD/group Jun 2024 – Oct 2024
SEO Copywriter Istanbul, Türkiye

- Developed brand strategies and SEO-driven content for real estate and healthcare clients; wrote brand catalogues, website copy and slogans

Sartorial PR Jul 2023 – Jun 2024
Creative Writer Istanbul, Türkiye

- Wrote commercial scripts and created shot plans for video shoots
- Produced brand content, venue blog posts and press releases for hospitality clients, including restaurants and traditional and modern meyhanes (Turkish taverns)
- Managed email marketing campaigns and bulk client communications

Sartorial PR Aug 2021 – Jun 2022
PR Intern (letter of reference awarded) Istanbul, Türkiye

EDUCATION

Marmara University 2018 – 2025
BA, Radio, Television and Cinema, Faculty of Communication (Grade: 78.5/100) Istanbul, Türkiye
Application in progress for a thesis-track MA at Marmara University (2026)
